

YOUR TRUE REFLECTION

The *Career Direct*[™] assessment is designed to provide you with a clear reflection of your unique God-given design.

If you answer all the questions honestly and transparently without regard to

how you will look to others...

how you would like yourself to be...or how you wish you were,

you will see a clear, mirror image—a **TRUE REFLECTION**—of who you really are.

If you are not totally up-front, honest, and true to yourself in all your answers, the results of your assessment will be **DISTORTED**.

Your report will not reflect the person God designed you to be.

This can lead you to vocations and occupations

that are not a good match for your unique, one-of-a-kind pattern or bent.

God wants you to use the gifts He has given you to glorify Him in your vocation, rather than try to be something you are not.

Remember, God's gifts and His call (on your life) are irrevocable (irreversible, incapable of being reversed or withdrawn). Romans 11:29.

The God of all grace will help you develop the gifts and talents He has given you.

So, be

YOUR SELF

when you complete *Career Direct!*
